Voting Delegates

Clubs in good standing are allowed one vote for each team registered with RDYSL. Clubs can choose one delegate to represent all teams or have a delegate for each team or any combination thereof. The delegate sheet must be updated yearly. Clubs are responsible to keep their delegate list up-to-date during the year. The voting delegate sheet must be resubmitted if there are changes in club delegates. Refer to the RDYSL By-Laws Article III Number 1A, Article III Number 9A, and Article XIV for more information regarding membership voting.
