2- Upcoming changes- RDYSL policy on small sided games was discussed. This year there is a requirement for head coaches to complete online concussion awareness certification at [http://www.cdc.gov/concussion/HeadsUp/online\\_training.html](http://www.cdc.gov/concussion/HeadsUp/online_training.html). Once the test is completed the coach needs to email a copy of their certificate from the concussion course to [rdyaltest@hotmail.com](mailto:rdyaltest@hotmail.com)

3—Discussion topics—these are topics the board is talking about, but hasn't made a decision on. We would like to hear from you: your ideas, what you think of our ideas, impact on your clubs.

a. Dual roster restrictions- ideas discussed were to remove restrictions; require teams with more than three dual-rostered players to play up an age group. Majority of clubs were in favor of removing restrictions. RDYSL board to discuss and share with club presidents in the spring of 2015.

b. Implementation of a "select" program in RDYSL. Is there interest in this higher level of training type of program? Any interest email Brian Charles at [u14g@rdysl.com](mailto:u14g@rdysl.com)

c. Any interest in an RDYSL night at Red Wings baseball game in 2015? No interest. There is interest in having the Rhinos and The Flash establish better communication with the RDYSL league and teams for players to attend games.

3— Other discussion topics – Premier teams are holding tryouts towards the end of the RDYSL season that impacts player availability for league games. Start the RDYSL season one week earlier. Provide guidance to DC with division set up regarding travel to away games. Disciplinary report this year showed some discrepancies around fines from DC's. Player behavior was better this year, however, adult behavior still needs improvement. Further discussion will ensue at the Presidents' meeting in November. The clubs were very positive about having the 3 man referee system this year.
