 - Team Roster Counts- All rosters must be entered into the RDYSL website prior to your first game to avoid a forfeit.
 - In-season Reschedule- two types: single game (by team), mass cancellation due to weather, etc. (by league). Most think of a reschedule as a date change but there are 4 types (field, site, time agreement from opponent, date agreement from opponent).
 - Customized Game Listing
 - Game Revision Log
 - Game Score and Info Input- Never list a player’s name or jersey number in your report.
 - Yellow Card Counting
 - Player Call-Up
 - Standings- When you save the game report it changes the standings immediately.
 - Find Player or Staff Member
 - Closing Out of Season- Instructions will be sent after July 4. T-shirts will not be issued until the Division is marked “Final.” All fines must be paid in season! Include Club #, Game #, on check sent to Sue Gurak.
 - Game Officials- new online this season! RDYS is our prefix! Read only privileges.

Re-useable In-Season Notes for common situations was discussed.

Reminders: What happens when you make mistakes? They happen, in fact, they are almost inevitable! Remember, we appreciate your volunteer services as a DC. Contact your Gender VP if you are harassed by a coach and/or a parent. Please continue to act in an appropriate manner as you represent RDYSL. We run a league of 8500 players and over 1000 volunteers.
