

# Rochester District Youth Soccer League Board Meeting

February 25, 2019 7:00 – 9:00pm – Teleconference

**Attendees:** Kathleen Buckley (Division Coordinator), Sean Doherty (Division Coordinator), Steve Graham (Division Coordinator), Susan Gurak (Treasurer), Shawn Hart (Division Coordinator), Bill Heist (Division Coordinator), Amy Kosinski (Division Coordinator), DJ Maggio (Ref VP), Ed Muoio (Division Coordinator), Thomas O'Neil (President), John Prospero (Boys VP), Peter Urban (Girls VP), Jacky VanDellon (Secretary), Mark VanDellon (WebMaster), Jerry White (Division Coordinator)

**Absences:** Marc Dall (Division Coordinator)

Teleconference was held by the RDYSL board to review the division creation for the upcoming 2020 season. Each Division Coordinator took the floor explaining their division creation criteria and then the rest of the board would ask questions, make suggestions, or require more detail before approving. All changes agreed upon need to be made within 48 hours. At that time, all team names are locked and the divisions are handed over to the scheduler.

DJ Maggio, the ref VP, wanted to remind everyone to pass on the information that the RRU (Rochester Referee Unit) has made themselves available to come in to clubs and discuss the new rule changes. Only one club has taken advantage of this extra teaching moment.

The ref unit wanted to remind all teams that they are looking for preseason scrimmages where they can bring the new refs and train them. The refs are free.

Record year for teams forgetting to register. We discussed the new tools all club presidents/officers have to check on their registered teams, the bingo board on the WebSite stating the number of teams registered, the four emails that RDYSL sent all the presidents about making sure all the teams in your club are registered, and the calendar out on the website defining the dates for team registration. The board is at a loss what more we can do to remind club members to get these teams registered.

Teleconference ended 9 pm.
